FOR IMMEDIATE RELEASE

ALHC New Meeting Place and June Program Announced

(Hendersonville, May 25, 2018) – The Art League of Henderson County will move their monthly meetings from the Opportunity House to the Hendersonville Operations Center, 305 Williams Street, Hendersonville. Meetings will be held in the large assembly room at that location.

The Art League’s Sunday, June 10, meeting at 1:30 p.m. will be at the new location and will include a presentation and demo by Edward Morris, well known and local oil painter. He is back by popular demand after a most informative presentation to the group earlier in the year. He will expand on his techniques for achieving color harmony in his paintings, along with providing insight and tips for making art. Morris is a member of the Oil Painters of America, American Impressionist Society, Asheville Urban Landscape Painters, and a signature member of the WNC Plein Air Painters. Among his numerous awards and achievements, his painting, “Evening Light – Broad River” was displayed at the 2016 AAPL 88th Grand National Exhibition, Salmagundi Club, NYC. He teaches workshops and serves as guest speaker for art groups throughout the eastern and southern states.

ALHC meetings are held the second Sunday of each month. The public is invited.
