### ***Winners Announced at 2021 Member Show.***

Lots of Art League “Firsts” happened the weekend of November 11-14. We held the first Member Show since 2019. We held the first ever show in the new Art on 7th Gallery. We included 3-D art for the first time. Winners included both new and long-time members with a great mix of talent on display from everyone. The weather cooperated and the members turned out to celebrate and elect officers for 2022.

Thanks to Julie and Phil Wilmot for graciously hosting this event with very little notice. Their new gallery is a splendid addition to the art venues in Henderson County and we were privileged to share this space with their first open weekend.

If you didn’t get to see the show on Sunday, it will be open 11 to 6 through Saturday and noon to 4 p.m. on Sunday, November 21.

It takes a lot of people to put together the member show. Drop off was November 11. Judging was November 12. Reception and Award Presentations were November 14.

The judge was Ann DerGara, owner of Red Wolf Gallery in Brevard. It took her some time to settle on her choices among the entries. See all the winners on the centerfold!

*Jean Tuech*

Over the past two years, Jean has spent countless hours keeping the League's financial records in order. She has been called upon to adopt new software and to keep track of our complicated membership and registration transactions. She has undertaken many volunteer tasks from staffing booths to directing traffic. She has provided wise counsel and perspective. We are grateful to her and recognize her valued contribution with the Kay Preston Award.
